Amendment 0001

Reference Specification Section 01 14 00 "Work Restrictions". Replace Section 1.2.4 with the following:

“

1.2.4 Occupied and Existing Buildings

The contractor will be working in existing buildings or around existing buildings which are occupied. Do not enter the buildings without prior approval from the Contracting Officer.

The existing buildings and their contents shall be kept secure at all times. Provide temporary closures as required to maintain security as directed by the Contracting Officer.

Provide dust covers or protective enclosures to protect existing work that remains and Government material located in the construction site during the construction period.

Contractor shall include in the scope of work the movement of occupant interior furniture and equipment from Hangar 1084 to a site to be determined by the Government on the air station within 5 miles of Building 1084. Likewise, contractor shall include the movement of occupant interior furniture and equipment from the temporary site back to Bldg 1084 into original locations upon completion of work.

The contractor is responsible for verifying conditions and preparing inventories of items requiring temporary relocation. Inventories shall be approved by the Contracting Officer prior to relocating any applicable items.

The Government will remove and relocate specific items in the areas of the building scheduled to receive renovations, such as computers, wall hangings, clocks, etc.

There are also various pieces of equipment and interior furnishings that may remain in the building, but will require temporary relocation on the same floor by the contractor. In these instances, contractor shall protect these items from damage during the course of work.
