Amendment 0002

Reference Specification Section 01 11 00 "Summary of Work". Add new Section 1.6 as follows:

1.6 SPECIAL SCHEDULING REQUIREMENTS

- a. The work under this contract requires special attention to the scheduling and conduct of the work in connection with existing operations. The following conditions apply:
 - 1) The C12 aircraft which is normally housed and maintained in this facility along with the associated aircraft maintenance support personnel will be temporarily relocated for a maximum period of 120 calendar days. This period is scheduled to begin August 1st, 2009. During this period of time all interior work associated with this contract shall be completed. In addition, all work associated with the large hangar bay door(s), including exterior wall panel replacement on and within 12 feet of hangar bay doors, shall also be completed. Complete is defined as work completed and accepted by the Contracting Officer.
 - 2) During the course of the contract NDI personnel will require occasional access to Darkroom 102, Laboratory 103 and Vault 105.
- b. Have materials, equipment, and personnel required to perform the work at the site prior to the commencement of the work.
- c. After the period listed in Item A above, the facility will remain in operation during the course of the remainder of the construction period. The contractor shall conduct his operations so as to cause the least possible interference with normal operations of the activity. This includes but is not limited to keeping the area in front of the hangar free and clear at all times so that movement and staging of the C12 aircraft is uninhibited.
